-
- If we can not spin your fiber after being processed we will contact you and explain why and will be returned as roving and charged as such.
 - Anything less than 1 lb. will be charged as one pound.
 - Our spinning frame can handle staple lengths ranging from 2.5 to 12 inches.
 - If you have a sample of yarn style and you would like us to match please enclose with your fiber in shipment.
 - The mill will not accept any fiber that show the presence or prior presence of moths. Fiber will be sent back to you plus shipping charges.
 - Skirting and handling of fiber is a must. It saves you money as processing charges are on incoming weight.
 - We handle each batch of fiber separately and clean Equipment between orders. Your own fiber is always returned to you.
 - Finished yarns will contain some or all the following antistatic agent, cohesive agent, ring oil (from spinning frame). We recommend the washing of finished yarn prior to use.
 - We require a 50% deposit on your order before processing. You will be notified when your order has been processed and balance will be due prior to shipment. Orders left unpaid for 60 days will become the property of The Mill at Meadowlands.
 - We accept major charge cards, checks and money orders.
